Cut and fold

1. Print the two PDF pages double-sided with the settings above.
2. Cut off the 3/4-inch blank left and right sheet margins (to 7 inches wide).
3. Cut horizontally across the exact center of the sheet (5.5 inches).
4. Fold each 7 x 5.5-inch strip in half vertically. The FRONT COVER is outside.
5. Open the tract: the inside reads GOD'S STANDARD, then THE PENALTY.

Check the first copy: if the reverse side is upside down, switch the duplex flip setting.
